

LINATE → RIMINI

Airport transfer + evening train

Thursday 20 August

easyJet EJU5450 · LIS 14:15 → LIN 18:00

Train dep. Milano Centrale 19:35

METRO TICKET

Don't buy a paper ticket. Tap a contactless card or phone at the turnstile on the way IN and again on the way OUT.
€2.20 flat — Linate is inside the urban Mi1–Mi3 zone, so one tap covers airport → Centrale. Daily cap €7.60.

IF YOU'RE RUNNING LATE

Check the clock as you leave the terminal:

- Out by 18:30 → metro, no stress.
- Out 18:35–18:50 → take a taxi.
- Out after 18:55 → taxi, and it's tight.

Taxi: 20–25 min, €20–30, drops you at the front door. Airport bus: 25 min, €7.

IF YOU MISS THE 19:35

There is real slack behind you:

- Last direct Milan → Rimini leaves around 20:50 (some sources say up to 21:50).
- Or high-speed to Bologna, then the last regional Bologna → Rimini (~22:24–23:39).
Super Economy fares are void once the train goes; Economy and Base can be changed.
